Letter of Recommendation

It is my pleasure to endorse **Nikhil Saini** for employment in your esteemed organisation. I have known **Nikhil** for over three years, during which he worked as a **Graphics Designer** in my office.

I was highly impressed with Nikhil's attitude and efficiency during the time that he worked with me. Nikhil is both very bright and highly professional. I am confident that he will display a high degree of commitment and discharge his job duties and responsibilities with diligence in your organisation. He is a fast learner and has shown the ability to absorb large volumes of information. Mr. Nikhil has demonstrated the ability to beautifully express information and ideas in form of **images, infographics**

Nikhil has also been successful in his efforts to create graphics. He has been able to convince clients with his **designing skills**.

I recommend Mr. Nikhil without reservation. I am confident that he will quickly build rapport with your staff and stakeholders. If you need more information or specific examples, please do not hesitate to contact me at 9782860519 or by email at infonicsolutions@gmail.com
